Can you imagine a world where psychedelics are carefully and legally used for science, therapy, spirituality, and personal growth?

Help us complete our study of MDMA-assisted psychotherapy for PTSD in U.S. veterans, firefighters, and police officers. maps.org/donate

$1.38 million estimated study cost
$875,000 already raised/$500,000 still needed

We can! Learn how you can help. maps.org mdmaptsd.org
