GRINSPOON
SHULGIN
NICHOLS

Re: MDMA Scheduling

Enclosed please find the comments which I submitted on November 4, 1985 on the first three animal studies recently submitted by the government. These comments draw on your observations. Please let me know if you see any problems.

I also enclose a copy of a fourth animal study, and I would appreciate receiving any comments or observations you may have on this one. We need to submit comments to the Judge no later than November 22, 1985.

I also enclose an updated list of the Drug Abuse Advisory Committee of the U.S. Department of Health and Human Services. Please let me know if you know anyone on the list.
