The Honorable Francis Young
Administrative Law Judge
Drug Enforcement Administration

Washington, D.C.

Re: MDMA Scheduling -- Docket No. 84-48

Dear Judge Young:

Please find enclosed for filing three separate documents. First, I enclose the Response of Drs. Grinspoon, Greer, et al, to the exceptions filed by agency staff to your decision of May 22, 1986. Second, I enclose two motions that I request be transmitted to the Administrator for his consideration in this case. One motion seeks to strike certain inflammatory, prejudicial, and improper material contained in the exceptions filed by agency counsel in this case. Since the material in question in this motion directly involves the Administrative Law Judge, I request that the motion be ruled on by the Administrator. The second motion seeks an opportunity to make an oral presentation directly to the Administrator, and I request that that motion also be forwarded to the Administrator.

Sincerely,

Richard Cotton
