Dear Dr. Grinspoon,

Thank you very much for sending me a copy of your Petition for Review of the MDMA decision.

As you may know, in mid-1986 I intuited from what I had learned in the proceedings that any favorable ruling by Judge Young would be overruled. Since I was not prepared to petition for review myself, I have been less active on this matter since then.

Nonetheless I am convinced that Judge Young's ruling is correct, and I maintain a high interest in MDMA being available for research. I admire your going forward with this, and I would deeply appreciate your sending me a copy of the decision on review when it is issued. Thank you again for sending me a copy of your Petition for Review.

Yours,
