Re: United States v. Spain  
United States Court of Appeals, Tenth Circuit  
86-1401

Dear All:

I have some outstanding news. The Tenth Circuit Court of Appeals reversed William Spain's conviction on July 13, 1987. I have enclosed a copy of their decision for your reference. I hope that this decision may be of some help in each of your cases. I sincerely want to thank Richard Cotton and Stephen Anderson for providing all of the work that went into our appeal here in Denver.

Sincerely,

A handwritten signature in black ink that reads "BRIAN K. HOLLAND". The signature is written in a cursive style with a large, stylized initial "B".
