

Confidentiality Agreement for Clinical Research Study

I am referring a patient or patients to Michael C. Mithoefer MD for possible inclusion in a clinical study of subjects with Posttraumatic Stress Disorder. I understand that confidentiality is of special concern in clinical research, and I agree to keep strictly confidential any information that is exchanged with Dr. Mithoefer or his research team, including the fact that the patient is participating in the study. I agree to keep any written records that refer to the study in a locked file cabinet.
