Unresolved disciplinary actions currently pending before the boards will not be included in the information presented. Reported discipline of licensees indicates the final disposition of contested cases, but may not reflect the current status of a license. Licensees are fully authorized to practice their professions unless their licenses have been restricted, suspended, revoked, deactivated or voluntarily surrendered. Licensees on probation may have been placed under certain professional restrictions which may limit the scope of their practice. Also, board actions reported here may not reflect any subsequent judicial actions to stay or modify the board's decision.
