In addition to our worldwide research programs, our top-priority programs include:

- **Supporting psychedelic science and education** through policy change and advocacy
- **Training practitioners** to deliver MDMA-assisted therapy through professional education in ethics, safety, and therapeutic methods
- **Empowering communities** through our international psychedelic peer support and harm reduction program, the Zendo Project

As a monthly donor, your sustaining contribution supports the development of new treatments for mental health conditions and the creation of evidence-based policies centered on compassion and public health.

*We rely on your continued generosity to make our shared vision a reality.*
